Peter Trainor for Max 'n Chester

Max 'n Chester was created in July 2012 by owner and founder, Peter Trainor in NYC. With Trainor's extensive design and travel background, he decided to launch the collection with a vision and ethos to formulate a collection using his three key influences: fabric, silhouette and design. Easy-wearing luxury fabrics in beautiful silhouettes creating an effortless look that can be worn 24 hours a day. The collection is now selling to better boutiques in North America, Japan and South Korea. For S/S '16, we launched a full women's collection which feeds beautifully from the men's using fabrics from Japan and Europe. Our men's and women's collections are available at Mahna Mahna Showroom in NYC.
